

# LISTOS CALIFORNIA CAMPAIGN SUB-GRANTEES

Over 170 local groups across California extend Listos California's reach in community and ensure authentic engagement with diverse and vulnerable populations. These local non-profits and groups are sub-grantees of Listos California's CBO partners, which are located in 24 counties. As part of the main architecture of the campaign, CBO partners competed for state funds and then in turn secured their own sub-grantees. In addition, AmeriCorps sub-grantees are impacting 6 counties.
